ASK ABOUT
FILTRATION
SAVINGS

Protect Every System with the Right Filtration.

Protect your engine, hydraulic and fuel systems with **Genuine Hitachi and Donaldson filtration**. Speak with your Customer Support Representative about savings on selected filter kits and volume discounts on Donaldson products.

Contact your local Hitachi branch or Customer Support Representative.

T&Cs: Offer includes 5% off selected filter kits and volume discounts on selected Donaldson filtration products. Discounts are available through your Customer Support Representative only and cannot be combined with existing agreements or promotions. Stock availability may vary by branch.

SAVE
10%
OFF SOLUTIONS+
GREASE

Choose the Right Grease for Maximum Protection.

Designed for demanding construction applications, **Solutions+ Grease** helps reduce wear, extend component life and support reliable machine performance. Save 10% on the Solutions+ Grease range for a limited time.

Contact your local Hitachi branch or Customer Support Representative.

T&Cs: Offer applies to selected Solutions+ Grease products only. Discount applies at the time of purchase and cannot be combined with existing agreements or promotions. Stock availability may vary by branch. Offer valid until 30 January 2022.

NEW
COMPETITIVE
PRICING
ON SELECTED
DPFS

Keep Your Engine Breathing at Its Best.

Take advantage of new competitive prices on selected **Diesel Particulate Filters**. Engineered to deliver the reliability and performance your equipment depends on.

Contact your local Hitachi branch or Customer Support Representative.

Offer applies to selected Diesel Particulate Filters only. Pricing is available on selected part numbers and is subject to stock availability. Offer cannot be combined with existing agreements or promotions. Contact your local Hitachi branch for pricing, availability and model compatibility.

BEST CASH
FLOW
SAVE UP TO
\$3.66/HR*

Simplify Maintenance and Improve Cash Flow.

Spread the cost of scheduled servicing with predictable monthly payments. **Monthly ConSol Service Agreements** help improve cash flow, help manage maintenance costs and keep your Hitachi equipment performing at its best.

Contact your local Hitachi branch or Customer Support Representative.

Available on selected Monthly ConSol Service Agreements only and subject to machine eligibility. Savings of up to \$3.66 per operating hour are based on selected models and agreement terms. Travel charges apply.

ALWAYS ISOLATE ENERGY SOURCES BEFORE WORKING ON EQUIPMENT

Before carrying out maintenance or inspection:

- Isolate all energy sources before starting work.
- Follow Lock Out Tag Out (LOTO) procedures to ensure the machine is safely isolated.
- Apply your own isolation lock or tag before commencing work.
- Never remove another person's lock or tag unless authorised under your site's LOTO procedures.

Always follow your site's isolation procedures and refer to the machine's **Operation & Maintenance Manual** before carrying out maintenance.

Always complete a **TAKE 5** prior to commencing any new job or task.

DON'T IGNORE DPF ALERTS. THEY CAN COST YOU MORE.

Diesel Particulate Filter (DPF) warnings are designed to protect your engine and emissions system.

A restricted or blocked DPF can affect exhaust flow, reduce engine performance and increase fuel consumption. Addressing DPF alerts early helps prevent more serious issues.

Addressing DPF issues early helps:

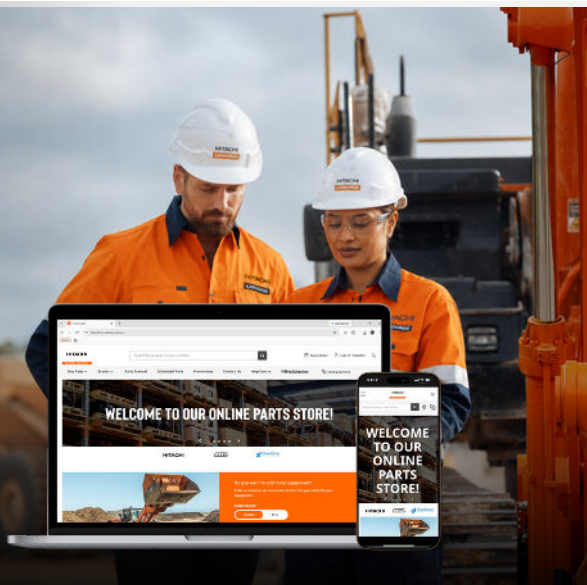

- Maintain engine performance
- Reduce the risk of unplanned downtime
- Help extend DPF service life
- Avoid costly repairs

Need a replacement DPF?

Contact your local Hitachi branch or Customer Support Representative.

RELIABLE PARTS

EASY TO FIND

We've Improved Hitachi Parts Online – See What's New

We've made significant improvements to Hitachi Parts Online, making it faster, smarter and easier to order the parts you need. Many of these enhancements were driven directly by your feedback and we'd love you to see what's new.

More Improvements Are Coming This is just the beginning.
